TESTING TAG

THIS COMPONENT IS CURRENTLY UNDER TEST

This tag must be attached to any involved Group Isolation Point or box by the Authorised Isolator. The tag is to remain in place for, and only for, the period of the test. Tag is to be removed by the Authorised Isolator. All resolutions following any testing must be completed by the Authorised Isolator. This involved Authorised Isolator and testing details must be noted on the Group Isolation Permit displayed at the Group Isolation station (found in box). All instructions and work practices involved in the Testing Tag must meet the requirements for "Testing" as detailed in Group SHEQ Procedure GP 5.16.
